The screenshot shows the 'Company data' entry form in CarTracker TachoTEK. The title bar says 'CarTracker TachoTEK'. Below the title bar, it says: 'Please enter the data of your company here. These data are essential for the use of the software.' The form has two sections: 'Address' and 'Contact data'. The 'Address' section contains fields for: Company (filled with 'TEST'), Code (empty), Street (empty), Post code (filled with '+135555'), Town (filled with 'London'), and Country (dropdown set to 'GB (United Kingdom)'). The 'Contact data' section is partially visible at the bottom.
